Hi Barry,

I'm so glad everything worked out! I briefly read over the evaluation forms and many commented on your and Jennifer's warm demeanour.

Doug Booi's email is snowboardtarget@gmail.com. I don't have a mailing address for him or Kim.

Can I clarify the couple who was absent on Saturday? In your email you said, Jeremy and Susana, but the registration form says Jenn and Chris.

I had a meeting with Pastor Les this morning. He would be happy to have you help us out with marriage mentoring. We are a bit short at the moment, so having you and Jennifer on board would be a tremendous help.

I believe you mentioned in conversation you and Jennifer would be willing to take on 2-3 couples to mentor. Does that still stand? We have a total of 5 couples interested in mentoring. Two of which are getting married early in 2014, so we should get them set up ASAP. Les is fine with you taking a couple out for breakfast/coffee/desert and submitting expenses to FAC.

I also mentioned to Les your offer to do some training here at FAC. We are currently in a transition period with the family ministries, so we will definitely keep your offer in mind, but at the moment there's just too much on our plate to take it on right now.

Thanks again!
God Bless!
Jamie

Jamie

Many thanks for including us in the Pre_Marriage Course at FAC. Even though its a rush to do the whole course in less than 24 hours everything seemed to go well thanks to the wonderful support from Gayle and the kitchen crew & your custodians who helped us with some A/V issues.

Jeremy Poettcker & Susanna Friesen did not make the Saturday part - Jeremy was in considerable back pain on the Friday night so we assume that kept them away. We have a new certificate to send to Kim Gibson and Doug Booi - there was an error on the one we had with us on Saturday. If we can get an address we are happy to send it on.

It did not seem many couples were planning to do FOCCUS but we are happy to help with a few if they do.

Hope we can work with you again in the future. We would love to do a Training Workshop with FAC covering the Marriage, Marriage Prep and two Parenting Courses to help generate interest in the Christian community for participation in these important areas of family life.

Have a wonderful week.

Barry & Jennifer
