

Barry Called Elaine Young, National Director Alpha Relationship Central
July 6th 2016

B FAC will resume marriage course in new year with Pastor Les leading it

E heard from Ron a while ago

Ron asked if any new marriage Prep materials

E May take a while - doing it this fall

E Ron told her unless its new he won't use it

B its been hurtful being locked out

B Les never involved - no oversight - no words, text, message

B Only time met Pastor Les in 2 years was about getting Nicky & Sila to extend their
Halifax trip

E Ron's shutting you out

B Ron 27 May expelled us out of marriage ministry. Hurt Jennifer badly , Core group
makes all decisions

E sounds like Ron not including you

E has he explained why?

B undermined his leadership in public, no details , witnesses

B Training session in March was a mess and no team meetings

E Ron called me and said there were conflicts - months ago might have beginning May
or in April

E he wasn't going to include you in the marriage ministry but not my preview

B Ron's invite 27 May thought it sincere but...

E Ron told her because of conflicts we are no longer on marriage team

B Ron doesn't have any empathy

E Because of conflict B&J with him and working other members in the marriage
ministry - it concerns her because of our role as coaches . - she has to be aware of this
- if not resolved

B somebody a senior level of church may contact you E ok

E Prayed for us

B we still love working in marriage

B idea of working in community turned down by Ron - find a small church

E because we know so hard because a local church may not do it well . hard if its not
ideal

E Clergy oversight - Alpha comes under it - Her own church is a challenge
