Hi Barry / Jennifer / Pat,

I spoke with the Buschman's last night regarding scheduling our upcoming meeting with them.

They did say that they could be available to meet this week on Tues Feb 28. I know, Barry, that you said that the 28th no longer worked for you. However, I just wanted to touch base with you again and offer that date if you would like, which would allow Pat to be present prior to him leaving on vacation.

Otherwise, we can still plan for the week of March 6th.

Let me know which works best.

Thanks.

Brent
