James

We enjoyed our chat with you in late January and offer our apologies for our impatience but its a year since we were last involved actively in Marriage ministry within First Alliance.

We see the impact of the economy and the increasing stress placed on relationships within and outside the church and would like to be part of some solutions.

Please let us know if there are any opportunities where we might serve. We do have some thoughts on how that might be implemented and would be happy to share them with you at your convenience.

Many thanks for all you do

Barry & Jennifer
