Hello Barry,

I left our meeting last Friday feeling I had addressed a significant issue you felt was under my control, and yet wasn't. Therefore, your behavior toward me this afternoon was confusing. So I again offer to make myself available to meet with you, should you wish to discuss this new issue(s) with me. Please let me know.

If we start right at noon, I think 40 minutes is doable. I'll see you Friday

Ron

Barry's appointment is at 1:00pm so we would have to leave at 12:40pm. Is that enough time for what you have in mind or is that too rushed time wise. Meeting at the church would be fine.

Hello Jennifer,

My apologies for the delay in responding; the day just got away from me.

The only time I have available on Friday is between noon and 1:00pm. Would that be convenient for you guys. Can we meet at FAC?

Hi Ron

You must be telepathic as we were having a coffee together yesterday and talking about several issues. We were discussing the opportunities of getting together with you and then almost immediately we received your email.

We would love to get together with you. How about this coming Friday afternoon? Would that work for you?

Blessings

Hello Barry & Jennifer,

Would there be a time during the next 5 days when we could meet? At that time, I would welcome the opportunity to address concerns you may have with me personally, and possibly the marriage ministry at FAC.

Blessings,
